EDUCATION

- R.P INSTITUTE | Semester-III
Persuing Bachelor's in D.S
Expected Graduation: 2028
- R.B Harris J.R College | 2024-25
Higher Secondary (12th) | P.C.M.B

TECH STACK

- AI-Assisted full-stack languages
- Tools:
Git • GitHub • Vercel
- Currently Learning:
Python • SQL • Data Structures

SKILLS

- ✓ Git & GitHub
- ✓ Responsive web development
- ✓ Problem Solving & Adaptability
- ✓ MS Office
- ✓ AI-assisted Development
- ✓ AI Workflow Integration
- ✓ Typing & Documentation
- ✓ Team Leadership
- ✓ Website Deployment (GitHub & Vercel)

ABOUT ME

Passionate B.Sc. Data Science student with hands-on experience building responsive websites and AI-assisted software projects. Skilled in turning ideas into functional applications using HTML, CSS, JavaScript, GitHub, and modern AI development tools. A quick learner with strong problem-solving abilities, eager to grow in software development, data science, and emerging technologies.

PROJECTS

Personal Portfolio Website

- Designed and deployed a responsive portfolio showcasing projects and technical skills.
- Integrated modern UI with smooth animations.
- Hosted online using GitHub and Vercel.

E-Commerce Website

- Designed a complete front-end e-commerce website.
- Implemented product listings, shopping cart UI, responsive layouts, and modern user experience.
- Built using HTML, CSS, JavaScript with AI-assisted development.

Interactive Birthday Website

- Built a multi-page interactive experience featuring animations, transitions, music integration, and storytelling.
- Focused on creative UI/UX and responsive design.

WORK OBJECTIVE

Seeking an internship where I can strengthen my software development and data science skills while contributing through real-world projects. Passionate about building innovative solutions, learning rapidly, and growing into a professional developer.

ACHIEVEMENTS AND INTERESTS

- Built multiple responsive web applications.
- Successfully deployed live websites using GitHub & Vercel.
- Active participant in science exhibitions and technical projects.
- Strong interest in AI, software development, and problem-solving.
- Science Exhibition Participant.
